Duck, NC 4-6 February 2003

Agenda

- JLOTS Operations and Exercises
- Other Operations and Exercises
- Areas of Operations

143rd Transportation Command

A wide-angle photograph of a coastal scene. In the foreground, there is a sandy beach with some low-lying vegetation on the left. A concrete pier with several vertical supports extends from the beach into the water. In the middle ground, a large ship is visible in the ocean, and another smaller vessel is further out. The sky is clear and blue.
